## INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF EAST PIPES INTEGRATED COMPANY FOR INDUSTRY (LISTED JOINT STOCK COMPANY)

### Introduction

We have reviewed the accompanying interim condensed statement of financial position of East Pipes Integrated Company for Industry (Listed Joint Stock Company) (the "Company") as at 30 June 2025, and the related interim condensed statement of profit or loss and other comprehensive income, changes in equity and cash flows for the three-month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "*Interim Financial Reporting*" ("*IAS 34*") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

# EAST PIPES INTEGRATED COMPANY FOR INDUSTRY (LISTED JOINT STOCK COMPANY)

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED)

At 30 June 2025

### 1 CORPORATE INFORMATION

East Pipes Integrated Company for Industry (the “Company”) is a listed joint stock company licensed under foreign investment license number 121031118992 issued by the Ministry of Investment on 22 Rajab 1431H (corresponding to 4 July 2010) operating under unified number 7001643902 having Commercial Registration (“CR”) number 2050071522 issued in Dammam on 22 Rajab 1431H (corresponding to 4 July 2010). The Company is engaged in manufacturing of pipes, tubes, hollow shapes from iron and steel, and the processing and painting metals by refinement and polishing.

The registered address of the Company is P.O. Box 12943, Dammam 31483, Kingdom of Saudi Arabia. The Company's fiscal year begins on 1 April and ends on 31 March of each year.

The accompanying interim condensed financial statements include the operations of the Company and its branch operating under CR number 2050071524 issued in Dammam on 22 Rajab 1431H (corresponding to 4 July 2010).

The interim condensed financial statements of the Company as of 30 June 2025 were authorised for issuance by the Board of Directors on 29 Muharram 1447H (corresponding to 24 July 2025).

### 2 BASIS FOR PREPARATION

#### 2.1 Statement of compliance

These interim condensed financial statements have been prepared in accordance with International Accounting Standard 34 ‘Interim Financial Reporting’ (“IAS 34”) as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”).

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements. Accordingly, these interim condensed financial statements is to be read in conjunction with the annual financial statements for the year ended 31 March 2025. In addition, the results of the operations for the period ended 30 June 2025 do not necessarily represent an indicator for the results of the operations for the year ending 31 March 2026.

#### 2.2 Basis for measurement

The interim condensed financial statements are prepared under the historical cost convention using the accruals basis of accounting. For employees' post-employment benefits, actuarial present value calculations are used.

#### 2.3 Functional and presentation currency

These interim condensed financial statements are presented in Saudi Riyals (“ﷲ”) which is also the functional currency of the Company.

#### 2.4 Seasonality of the Company's business

The Company is a project-based Company engaged in manufacturing of pipes and tubes from iron and steel as well as the processing and painting metals by refinement and polishing. Due to the project-based nature of this industry, higher revenues and operating profits are usually expected when the Company has ongoing projects, and the revenue recognition criteria is met.

This information is provided to allow for a better understanding of the results; however, management has concluded that this is not ‘highly seasonal’ in accordance with IAS 34.

#### 2.5 Significant accounting judgements, estimates and assumptions

The preparation of the Company's interim condensed financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities, at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that may require a material adjustment to the carrying amount of the asset or liability affected in the future.

EAST PIPES INTEGRATED COMPANY FOR INDUSTRY  
(LISTED JOINT STOCK COMPANY)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS  
(UNAUDITED) (CONTINUED)

At 30 June 2025

**2 BASIS FOR PREPARATION (Continued)**

**2.5 Significant accounting judgements, estimates and assumptions (continued)**

These estimates and assumptions are based upon experience and various other factors that are believed to be reasonable under the circumstances and are used to judge the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised or in the revision period and future periods if the changed estimates affect both current and future periods.

As at 30 June 2025, management believes that all judgments and sources of estimation uncertainty remain similar to those disclosed in the Company's annual financial statements for the year ended 31 March 2025.

**3 MATERIAL ACCOUNTING POLICY INFORMATION**

The material accounting policies used in the preparation of these interim condensed financial statements are consistent with those used in the preparation of the annual financial statements for the year ended 31 March 2025 except as mentioned below.

**3.1 New standards, interpretations and amendments adopted by the Company**

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 31 March 2025, except for the adoption of new standards effective as of 1 January 2025. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

One amendment applies for the first time in 2025 but does not have an impact on the interim condensed financial statements of the Company.

**Lack of exchangeability - Amendments to IAS 21**

The amendments to IAS 21 The Effects of Changes in Foreign Exchange Rates specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are effective for annual reporting periods beginning on or after 1 January 2025. When applying the amendments, an entity cannot restate comparative information.

The amendments did not have a material impact on the Company's financial statements.

**8 EARNINGS PER SHARE**

Basic EPS amounts are calculated by dividing the profit of the Company for the period by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is calculated by dividing the profit of the Company by the weighted average number of ordinary shares outstanding during the period plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares. As there are no dilutive instruments outstanding, basic and diluted earnings per share are identical.
